Re: Legal Charge over the (the "Property")
provided by the Chargor for the Hirer's obligations (the "Charge") to guarantee the obligations of the Hirer to the Owner.

I have decided that I wish to grant the Legal Charge in favour of the Owner for the obligations of the Hirer.

I confirm that:-

1. I have been provided with the Legal Charge and have had adequate time to read and consider it before signing it;
2. I have been provided with the Hire Agreement containing the Hirer's obligations and have had adequate time to read and consider it;
3. The Owner has recommended that I should take Legal Advice;
4. I am aware that:-
 - (i) the Legal Charge is security for the Hirer's obligations to the Owner;
 - (ii) the Property secured by the Legal Charge is at risk if the Hirer's obligations are not met.

I confirm that I have been given the opportunity to seek independently legal advice on the terms of the Charge and I am content to proceed and use the property as security for the obligations of the Hirer under the Hire Agreement.
